Location

Fira Gran Via,
Barcelona

Cost

€1,595 per
participant
incl.
entrance to
MWC

€895 per
participant
excl.
entrance to
MWC

Join the Dutch Knowledge Mission to Mobile World Congress 2025 (MWC25) in Barcelona and become part of an exclusive delegation focused on Private Networks in Mainports (PNMP). Mobile networks, leveraging 4G and 5G, are increasingly used by enterprises for customized wireless solutions, especially in automation and IoT. Mainports, like seaports and airports, lead in deploying these networks to support operations like crane control, video transmission, and environmental monitoring. This mission offers a unique opportunity to exchange knowledge, best practices and establish valuable connections in the field of Private (wireless) networks in mainports guided by expert in the field; Koen Mioulet from Ultimate Wireless Mobility (ULWIMO), partner of Ecosystem Services.

What's Included?

As a participant, you are automatically part of the Dutch delegation and enjoy a comprehensive program with valuable benefits:

- **Delegation Status:** By participating, you are automatically part of the Dutch delegation to MWC25, allowing you to connect and collaborate with other Dutch entrepreneurs, companies, and organizations at this world-leading event.
- **Exclusive Access to the Delegation Reception and Dinner:** Join us on Sunday evening, March 2, for a special delegation reception and dinner, where you can network with fellow participants, representatives, and partners from the Netherlands.
- **Daily Program from March 3 to 5:** Over three days, we offer a specially curated program, including visits to various pavilions and key booths at MWC. All meetings and encounters are pre-arranged and coordinated to help you maximize the value of these exchanges with prominent industry players.
- **Lunches and Networking Receptions:** Enjoy daily group lunches and wrap up each day with networking receptions at the NL Pavilion. These informal settings offer great opportunities to exchange insights and connect with new contacts.
- **NL Community Night:** On Monday evening 3 March, you are invited to the exclusive NL Community Night, where all Dutch participants and international guest gather to network, share knowledge, and celebrate success together.

Cost and Registration

The participation fee is €1,595, excluding VAT. This amount includes your Discovery Pass for MWC 25, giving you access to the Fira and full participation in the delegation program. Deepen your knowledge, expand your network, and accelerate the future of private networks for mainports together!

Contact and Registration: For more information and to register, please fill out [this form](#) or contact mark@ecosystems-services.nl. We look forward to an inspiring and impactful MWC 25 in Barcelona with you!
